#### YOUTH PROTECTION

Now that summer break is almost over and our children will be returning to school, it's once again time to start gearing up for the onslaught of new leaders and scouts. Proper training will be essential for this latest crew of willing volunteers, and we in youth protection training are stepping up to make it available.

Live *district level* youth protection training as we know it will continue only until November, at which point the Council will assume control. Not to fear, because I have on good word from someone in the loop that monthly installments of YPT will continue to occur in our district under the gentle tutelage of a Council instructor. You can find specific dates and times in the flyers which have been included in your unit packets.

The schedule will remain simple, predictable and easy to follow. Youth protection will be taught on the *first Wednesday* of each month at 7:00 pm, in the library of *Saint*

*Philip Presbyterian Church.* May of 2005 will again feature a class on every Wednesday of the month. The Longhorn Council is maintaining online youth protection as its primary source for the training, but persons not registered as leaders with the BSA will need to sit in on a live presentation. For you registered types in need of renewal, you can take internet based YPT training at [www.longhorncouncil.org](http://www.longhorncouncil.org) under the youth protection link. All newcomers and conscientious internet objectors, come get the real deal by visiting us on one of the aforementioned dates. If you just can't make one of these classes, please feel free to get in touch. Remember. I make house calls, both on duty and off.

## COMMISSIONER SERVICE

**What is the Commissioner Service?** Briefly stated, the Commissioner Service of the Boy Scouts of America is a core of dedicated volunteer Scouters whose primary **purpose** is to provide **service** and **support** to Pack, Troop, Team, Venture, Post, Ship, and other Scout Leaders. This service and support is provided to help give the unit leader extra resources to assure that he or she is able to deliver the promise of Scouting to individual youth members.

Commissioners must be good listeners. They use their experiences in scouting to help others arrive at the "right answer". They may offer encouragement, aid in interpreting facts or resolving confusion, and counsel others to solve problems. We don't take sides, but we do look at the "big picture". Our guiding principle is to do what is best for our youth.

For those currently assigned as commissioners, or those Scouters considering commissioner service, the Longhorn Council is sponsoring a College of Commissioner Science at TCU (Tucker Technology Center) on Saturday, August 7<sup>th</sup>. Registration starts at 7:30 am, with a graduation ceremony scheduled at 4:30 pm. A catalog of courses can be found online at: [longhorncouncil.org](http://longhorncouncil.org)

Due to high 2003 levels of maintenance costs and boat damage, the cost of renting pontoon boats has risen from \$35 per day to \$100 per weekend for Longhorn Council units, and \$140 per weekend for non-Longhorn Council units. This change is effective immediately.

### Jamboree Troops full, but waiting list positions available

The Longhorn Council National Jamboree contingent is full, but is accepting waiting list reservations. In most years, those who reserve on the Jamboree Troop waiting list stand a very good chance of moving up to the a troop. Participants will tour for 3 days, and spend 10 days at the jamboree with 32,000 Scouts from around the country and a few foreign countries. Program features reflect the skills of Scouting, our national heritage, physical fitness, environmental conservation, and the true spirit of Scouting. There are military demos, and exhibits hosted by private companies and government agencies. Scouts and leaders will enjoy daily activities like archery, bi-kathalon, buckskin games, confidence course, conservation programs, scuba, kayak, merit badge midway, rappelling, Order of the Arrow shows, fishing, and many other activities. The jamboree is a patch traders dream. More information is available on the 2005 Jamboree Page on the Longhorn Council website.

## OTHER

### New Tiger Cub Uniform

IRVING, Texas – Beginning August 1, 2004, Tiger Cubs will join their brother Cub Scouts by wearing the complete blue Cub Scout uniform with appropriate Tiger Cub insignia. The orange T-shirt will continue to be available for Tiger Cubs to wear as an activity shirt and will continue to be the official uniform for adult Tiger Cub partners.

The change, announced at the Boy Scouts of America's 2004 National Annual Meeting, is part of the Scouting movement's continuing effort to promote Tiger Cubs as an integral part of the Cub Scout pack.

Alan Westberg, national director of Cub Scouting, says the new uniform will help build enthusiasm for the program among Tiger Cub Scout-age boys and their parents.

"Many boys get their first taste of Scouting in Tiger Cubs. We believe that by offering a uniform that is more similar to those worn by older Cub Scouts, we will help our newest members feel even more a part of the Scouting program."

The uniform has been an integral part of Scouting since the earliest days of the movement. The uniform builds a sense of belonging and team within the unit, and positively influences recruitment and retention.
